MCPL is requesting bids for our commercial trash service pickup and recycling services for the locations listed on the Waste Service Specifications document. The frequency of service pickup is listed in the specifications document as well as size of containers. Contractors are invited to submit a lump sum bid for a general contract under seal to MCPL at the reception desk at MCPL Administrative Headquarters on or before **1:00 p.m. on Monday September 16, 2024**, for the above contract. Bids received after this time will not be accepted. The bid openings are closed and not open to the public.

Bidding instructions, contract requirements and project specifications will be available to download online at our website at <http://www.mymcpl.org/about-us/requests-proposal>. All specified bid forms are to be properly filled out and submitted with your bid. **Bid Forms must each be filled out in its entirety.**

The project consists of the following:

- 1) Bidders will need to supply a base bid to pick up the trash at each location as well as a price for recycling pickup at each location as listed on the specification document.
- 2) Bidders are required to fill out the Waste Specifications spread sheet and list pricing of trash service pickup for each location.
- 3) Bidders are required to list mobilization cost to drop off dumpsters at new work site and existing contractors list cost for removal of existing dumpster. The total price is all that is needed.
- 4) Upon award of the bid, the trash contractor will need to issue a 3-year separate trash contract for each location. We will also require a signed MCPL agreement and Affidavit HB1549 (E-verify compliance). It is our intent to award all locations to one trash contractor.

MCPL follows the rules and regulations of the State of Missouri pertaining to political subdivisions and follows the purchasing policies established by the Board of Trustees.

MCPL will make the award to the lowest and/or best bid. In determining the lowest and/or best bid, MCPL will consider other factors besides price. These factors shall include, but are not limited to, the experience and reputation of the Bidder, any previous business dealings which the Bidder has had with MCPL, and the quality and adaptability of the supplies, equipment, or contractual services which are bid to the particular use required.

MCPL is committed to Equal Opportunity and will not discriminate against any employee or applicant because of race, color, religion, sex or national origin. MCPL agrees to comply with the Fair Labor Standards Act, Fair Employment Practices, Equal Opportunity Act and other applicable State and Federal laws.

## AGREEMENT FOR SERVICES

### ARTICLE 5 – TERMINATION OF CONTRACT

a. **Termination for breach.** Failure of the Contractor to fulfill Contractor's obligations under this contract in a timely and satisfactory manner in accordance with the schedule and description of services set forth in **Exhibit A** shall constitute a breach of the contract, and MCPL shall thereupon have the right to immediately terminate the contract. MCPL shall give written notice of termination to the Contractor by U.S. Postal Service mail or by hand delivering a copy of the same to the Contractor; or may give notice by any combination of these methods. The date of termination shall be the date upon which notice of termination is hand-delivered to Contractor or the third day following mailing of the notice of termination, whichever first occurs. In the event of termination for breach, all finished or unfinished deconstruction, reconstruction, new construction, repairs, and materials as required of the Contractor under this contract shall at the option of MCPL become its property, and the Contractor shall be entitled to receive just and equitable compensation for any satisfactory work completed on such project; provided that the Contractor shall not be relieved of liability to MCPL for damages sustained by MCPL by virtue of any such breach of the contract by the Contractor.

b. **Termination for Convenience.** MCPL shall have the right at any time by written notice to Contractor to terminate and cancel this contract, without cause, for the convenience of MCPL, and Contractor shall immediately stop work. In such event MCPL shall not be liable to Contractor except for payment for actual work performed prior to such notice in an amount proportionate to the completed contract price and for the actual costs of preparations made by Contractor for the performance of the cancelled portions of the contract, including a reasonable allowance of profit applicable to the actual work performed and such preparations. Anticipatory profits and consequential damages shall not be recoverable by Contractor.

c. **Subject to Non-Appropriation.** MCPL is required only to pay its obligations set forth in this Contract from funds lawfully appropriated and budgeted for that purpose during MCPL's then current fiscal year. MCPL's obligations under this Contract are current expenses subject to the "budget law" and the unfettered legislative discretion of MCPL concerning budgeted purposes and appropriation of funds. Should MCPL elect not to appropriate and budget funds to pay its Contract obligations, this Contract shall be deemed terminated at the end of the then-current fiscal year term for which such funds were appropriated and budgeted for such purpose and MCPL shall be relieved of any subsequent obligation under this Contract. The parties agree that MCPL has no obligation or duty of good faith to budget or appropriate the payment of MCPL's obligations set forth in this Contract in any budget in any fiscal year other than the fiscal year in which this Contract is executed and delivered. MCPL shall be the sole judge and authority in determining the availability of funds for its obligations under this Contract. The obligation of MCPL to make any payment pursuant to this Contract is not a general obligation or indebtedness of MCPL. Contractor hereby waives all rights to bring any claim against MCPL from or relating in any way to MCPL's termination of this Contract pursuant to this section.

### ARTICLE 9 – CONFLICTS

No salaried officer or employee of MCPL and no member of MCPL Council shall have a financial interest, direct or indirect, in this contract. A violation of this provision renders the contract void. Any federal regulations and applicable provisions in Section 105.450 et seq. RSMo. shall not be violated. Contractor covenants that it presently has no interest and shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance of services to be performed under this contract. The Contractor further covenants that in the performance of this contract no person having such interest shall be employed.

### ARTICLE 10 – ASSIGNMENT

The Contractor shall not assign any interest in this contract and shall not transfer any interest in the same (whether by assignment or novation), without prior written consent of MCPL thereto. Provided, however, that claims for money due or to become due to the Contractor from MCPL under this contract may be assigned to a bank, trust company, or other financial institution without such approval. Notice of such assignment or transfer shall be furnished in writing promptly to MCPL. Any such assignment is expressly subject to all rights and remedies of MCPL under this contract, including the right to change or delete activities from the contract or to terminate the same as provided herein, and no such assignment shall require MCPL to give any notice to any such assignee of any actions which MCPL may take under this contract, though MCPL will attempt to so notify any such assignee.

**ARTICLE 11 – DISCRIMINATION**

The Contractor agrees in the performance of this contract not to discriminate on the ground or because of race, creed, color, national origin or ancestry, sex, religion, handicap, age, or political opinion or affiliation, against any employee of Contractor or applicant for employment and shall include a similar provision in all subcontracts let or awarded hereunder.

**ARTICLE 12 – OCCUPATIONAL LICENSE**

The Contractor shall obtain and maintain an occupational license if required by local laws and any required state or federal license. The cost for this occupational license shall be borne by the Contractor. Contractor shall not purchase materials or begin work on this contract until licenses have been obtained.

**ARTICLE 13 – COMPLIANCE WITH LAWS**

Contractor agrees to comply with all applicable federal, state, and local laws, including but not limited to “prevailing wage” and “Davis-Bacon,” or rules and regulations applicable to the provision of services and products hereunder. Contractor affirmatively states that payment of all local, state, and federal taxes and assessments owed by contractor is current.

**ARTICLE 14 – AMERICAN MADE PRODUCTS**

This contract does not create an employee/employer relationship between the parties. It is the parties' intention that the Contractor will be an independent contractor and not MCPL's employee for all purposes, including, but not limited to, the application of the Fair Labor Standards Act minimum wage and overtime payments, Federal Insurance Contribution Act, the Social Security Act, Missouri Prevailing Wage requirements, the Federal Unemployment Tax Act, the provisions of the Internal Revenue Code, Missouri revenue and taxation laws, Missouri workers' compensation and unemployment insurance laws. The Contractor will retain sole and absolute discretion in the judgment of the manner and means of carrying out the Contractor's activities and responsibilities hereunder. The Contractor agrees that it is a separate and independent enterprise from the public employer, that it has a full opportunity to find other business, that it has made its own investment in its business, and that it will utilize a high level of skill necessary to perform the work. This contract shall not be construed as creating any joint employment relationship between the Contractor and MCPL, and MCPL will not be liable for any obligation incurred by the Contractor, including but not limited to unpaid minimum wages and/or overtime premiums.

**ARTICLE 16 – LIBRARY BENEFITS**

The Contractor shall not be entitled to any of the benefits established for the employees of MCPL nor be covered by the Worker's Compensation Program of MCPL.

**ARTICLE 17 – INSURANCE**

Unless specifically outlined in the Request for Proposal, Contractor agrees to maintain insurance as set forth below, and provide to MCPL certificates of coverage evidencing said coverage at the time of signing this contract and on each anniversary of such insurance coverage during the term of this contract and any renewals, which certificates shall contain a provision that the policy will not be cancelled unless and until thirty (30) days' notice of said cancellation has been given to MCPL, but, in any event, the Contractor, any time after the contract has been signed, shall notify MCPL of any impending cancellation, actual cancellation, termination or nonrenewal of the policy by faxing or delivering to MCPL a copy of the insurer's cancellation, termination or nonrenewal notice to Contractor within two (2) business days of Contractor's receipt of said notice. Contractor shall also advise MCPL in writing within two (2) business days of any oral or other advisement by the insurer of any impending cancellation, actual cancellation, termination or nonrenewal of the policy. (If MCPL gives written permission for some of the work under this contract to be subcontracted or it is subcontracted, Contractor shall assure that the subcontractor has the insurance set forth below and that MCPL and Contractor are listed as an additional insured on all of subcontractor's policies):

- a. Comprehensive General Liability: Minimum limit \$1,000,000 combined single limit, \$2,000,000 annual aggregate for bodily injury and property damage per occurrence with MCPL named as an additional insured on the policy.
- b. Comprehensive Automobile Liability: \$1,000,000 combined single limit with MCPL named as an additional insured on the policy.
- c. Workers' Compensation: Statutory requirements, if required by law.

The provision of insurance shall not be construed, nor is intended, to be a waiver of sovereign immunity or any other defense available to MCPL, its officers, agents, or employees except to the extent insurance coverage is actually provided.

**ARTICLE 18 – LIABILITY AND INDEMNITY**

The parties mutually agree to the following:

a. In no event shall MCPL be liable to the Contractor for special, indirect, or consequential damages, except those caused by MCPL's gross negligence or willful or wanton misconduct arising out of or in any way connected with a breach of this contract. The maximum liability of MCPL shall be limited to the amount of money to be paid or received by MCPL under this contract.

b. The Contractor shall defend, indemnify, and hold MCPL and its appointed officials, officers, employees and agents harmless from and against all actual claims and alleged claims and all damages, including but not limited to losses, liabilities, costs, expenses and attorney fees arising out of personal injuries, including illness or death, and damage to, or destruction of, property, which are caused by the Contractor or the Contractor's agents, employees, sub-contractors or by others for whom Contractor is liable arising out of or in any way connected with or resulting from, performance of, or failure to perform, this contract.

c. The Contractor shall indemnify and hold MCPL harmless from all wages or overtime compensation due its employees in rendering services pursuant to this contract, including payment of reasonable attorneys' fees and costs in the defense of any claim made under the Fair Labor Standards Act or any other federal or state law.

d. This contract is not intended to act as a waiver or limitation of MCPL, or any of its officer's, agent's, or employee's rights and/or defenses with regard to sovereign or any other immunity or defense under Federal Law, Missouri Law, or Regulation.

**ARTICLE 19 – ENROLLMENT IN WORK AUTHORIZATION PROGRAM AND AFFIDAVIT CONCERNING EMPLOYMENT OF UNAUTHORIZED ALIENS**

If this contract, awarded to a business entity, is in excess of \$5,000, the business entity, and any subcontractors of the business entity, shall, by sworn affidavit and provision of documentation, affirm its or their enrollment and participation in a federal work authorization program with respect to the employees working in connection with the contracted services; and that it does not knowingly employ any person who is an unauthorized alien in connection with the contracted services. A subcontractor shall provide similar affidavit and documentation to the Contractor at the time the subcontractor is hired pursuant to Section 15 CSR 60-15.020. A federal work authorization program is any of the electronic verification of work authorization programs operated by the United States Department of Homeland Security or an equivalent federal work authorization program operated by the United States Department of Homeland Security to verify information of newly hired employees, under the Immigration Reform and Control Act of 1986 (IRCA), P.L.99-603. *A business entity is any person or group of persons performing or engaging in any activity, enterprise, profession, or occupation for gain, benefit, advantage, or livelihood. The term business entity shall include but not be limited to self-employed individuals (except it shall not include a self-employed individual with no employees), partnerships, corporations, contractors, and subcontractors.*

The following Affidavit shall be used by the contractor and any subcontractors that are required to sign affidavits:

**ARTICLE 21 - CHANGES, DELETIONS, OR ADDITIONS TO CONTRACT**

Either party may request changes within the general scope of this Contract. If a requested change causes an increase or decrease in the cost or time required to perform this contract, MCPL and Contractor will agree to an equitable adjustment of the contract price, period of service, or both, and will reflect such adjustment in a change order or formal modification.

**ARTICLE 22 – PROFESSIONAL RESPONSIBILITY**

Contractor shall exercise the same degree of care, skill, and diligence in the performance of the services as is ordinarily possessed and exercised by a peer professional under similar circumstances.

**ARTICLE 23 - DELAY IN PERFORMANCE**
